CHRISTMAS 2015

CHRISTMAS GIFT OF THE YEAR FROM EVA SOLO

Functionality and design...

...are the distinguishing features of products from Eva Solo, which, since 1913, have been found in Danish homes and all over the world.

Eva Solo has many outstanding products for the home, but often people are on the go during the day, which is why we are now launching the **To Go** concept with **a drinking bottle, To Go Cup, sports drinking bottle** and **thermo flask** in a wide range of exciting colours. Functional products in a stylish contemporary design. Perfect for travelling by car, bike, bus or on foot. And for going on picnics, travelling to school, to work or ... yes, lots of different activities.

The catalogue brings together some of the most popular designer gifts. Both individual products and gift packs which we think would make perfect gift ideas from Eva Solo.

The gift packs are supplied in either a gift box or gift bag – ready to give to the happy recipient.

Be inspired by our catalogue to find the perfect gift for your employees or business partners. And if you have any queries, please do not hesitate to contact us at any time – or to visit our showroom.

Kind regards

Eva Solo A/S
